Your life, simplified

Out with the old

Sorting through thousands of items from various websites, only to be disappointed by quality

Months of back and forth with vendors and designers to get things right

Spare offices and closets occupied by towers of swag boxes

After-hours assembly lines and trips to the post office

In with the new

One vendor for everything. We only curate high quality options they will love

Your packs built and designed in hours, ready to go in weeks

Swag safely stored in our warehouse, your office lease is too expensive for that

Pre-assembled packs, shipped anywhere in the world. Go grab some drinks, swag is handled!

We'll never offer swag we wouldn't use

We pride ourselves on curating a unique selection of high quality, useable swag that people will love.

If it's in our selection, it's because we've tried it ourselves! You'll find all of these items hanging around our SwagUp office.

Have a unique request? We can source it all! From embroidered Everlane backpacks to Faribault Mill wool blankets, we can do it all. If you don't see it, just ask!

“

I've never worked with such a well organized and attention to detail and logistics company via email, without meeting face to face. This is truly something your team can be proud of. I've been searching for a US based company to help with merch for quite some time, and working with SwagUp was a massive plus for us. Our students arrived in Cape Town, Berlin, and Lisbon with their swag and we were extremely impressed with the quality of the items!

FAQ's

Do you ship internationally?

YES! We ship worldwide, and handle all logistics including customs, duties, taxes, and documentation.

How much does it cost to drop ship a Swag Pack?

For individual packs traveling domestically, we charge a flat rate of \$12/pack. International drop shipping varies by country, but typically runs between \$25-35/pack.

Is there a minimum amount we need to order?

Our minimum order quantity is 50 units. Less-than-minimum orders are accepted on a case-by-case basis.

Does pricing change depending on the quantity we order?

YES! Cost per unit decreases as order quantity increases. Our Account Managers will share optimal price breaks with you.

Do I have to purchase Swag Packs?

NO! We also do bulk swag orders!

What is the turnaround time to get my Swag?

Once payment is received, it typically takes 3 weeks to have the Swag in your hands. Rush orders are available on a case-by-case basis.

Do you create online shops?

Yes! We can create custom branded shops for your company, including the ability to grant credits to users for birthdays, anniversaries, promotions, etc.

Do you integrate with any other platforms?

YES! We have open APIs that plug into your platform to help automate Swag fulfillment.

What's next?

1. If you haven't already, build your swag pack at form.swagup.com
2. Your pack request will be sent to our design team where a fully custom mockup is created.
3. A dedicated Account Manager will follow up with the mockups and associated pricing.
4. Once you are happy with how everything looks and payment has been made, we will begin production!
5. After the swag is created and packed, we can ship it straight to you, or warehouse it in our facility.
